SPEECH LANGUAGE THERAPY

Presents

CAMP CHITCHAT

June 2nd - July 25th, 2008

So much to learn, and so much to do at Camp Chit Chat!

You can afford to be choosy on how your child spends their summer! Camp Chit Chat summer experience is provided by TherapyTime, certified providers of Speech Language Therapy services in the valley. Our highly distinguished staff members are recipients of multiple awards and honors, with several nationally known specialists.

We offer a full or half day camp experience four days a week for children ages 3-12. Speech and language learning are stressed in a fun and stimulating environment. Children will learn new social skills, build friendships, while building their pragmatic language development.

Communication functions include: asking/answering questions, problem solving, vocabulary building, expressing feelings, developing conversational skills, improving listening comprehension. For children who need additional help with articulation, apraxia, and or stuttering, specialized individual small group therapy will be provided.

Every class is small in size with 6-8 children. All classes are guided by 2 Speech Language Pathologists, and a trained Speech Language Pathology assistant. Weekly progress notes are shared with parents, with clear goals set at the onset of camp.

Please call Crystal at 602-403-5266 for complete details and registration forms/information.

Camp Location: Milestone Preschool & Charter School • 4707 E. Robert E. Lee Street (Tatum & 101) • Phoenix, AZ 85032
